Pleasant Grove Union Church

We the members of Pleasant Grove Union Church recognize and affirm:

That each Individual has an obligation to serve his God in the way his conscience may dictate. We embrace those things that are the common thread of all major Protestant religions and that each individual has a right to choose.

Christians may have a difference of opinion, as a God given right and privilege. These differences shall not deter us in our service to God.

We hold to and abide by the Holy Bible as our Rule and Guide to our faith.

We accept those who profess a belief in the one True God, In Jesus Christ as Lord and Savior, and his Spirit, that even now and forever more dwells among us.

Church History

Pleasant Grove Union Church holds over 126 years of service to God and the Reems Creek Valley. The church was established as a community church with the understanding that it would serve the various Protestant denominations represented in the valley.

Pleasant Grove Church was founded on two parcels of land given by Robert G. Brank and James M. Parker; Cooper Parker gave a later parcel.

The present building was started in 1942 and continued construction through the mid forties. A picture of the earlier building hangs in our fellowship room in the church basement.

Over the years the church has been served by a number of ministers.

**The present Ministers are:
Deb Patterson since 2005
Ray Bailey - since 2006
Robert E. Harris - since 1954**
